Projects

Klarachic (E-Commerce Store)

<https://klarachic.com/>

Developed and managed Klarachic.com [↗](#), an e-commerce website for a clothing brand offering men's and women's wear. Focused on user-friendly UI/UX, mobile responsiveness, and smooth product browsing experience.

Hamdani (Plumbing Services Website)

<https://hamdaniplumbing.com/>

Developed a professional website for *Hamdani Plumbing*, offering plumbing services. Focused on clear service listings, contact forms, and mobile-friendly design to attract and convert local customers effectively.

Go Quiz

<https://goquiz.hamdaniplumbing.com/>

GoQuiz is an interactive quiz platform where users take timed quizzes and receive instant, detailed results. Designed for engagement and learning, it tracks performance and provides immediate feedback to help users improve.

Auric Time (Watch Store)

<https://dev-auric-time.pantheonsite.io/>

Created an online store for Auric Time, a premium watch brand. Focused on minimalist design, product filtering, and fast-loading product galleries to boost user engagement and sales.

Amerahstyle (Clothing Brand Website)

<https://amerahstyles.net/>

Designed and launched Amerahstyle.com [↗](#), an online clothing store featuring contemporary styles for men and women. Implemented SEO best practices and optimized site speed to improve search rankings and user retention.
